TED LENNOX

Coming to faith... My mother launched my Christian upbringing at a very early age with after school discussions of the day's events with frequent emphasis on Christian values and behaviours at the tough school I attended. My faith journey began at the age of five and contains three key milestones: marrying my evangelical Christian wife in 1986; recommitment to my faith volunteering at the Billy Graham Crusade in 1998; and moving to The Met with its rich teaching in 2003.

Christian service and leadership... I am presently concluding my first year as a Director of the Property Board at The Met and member of the Bylaw Review Committee. I served on the Board of Directors of Redeemer Christian High School for 5 ½ years in Strategic Planning, Human Resources, and Facility Development. Additionally, I have volunteered in several MET ministries including Alpha, hospitality, and Newcomer events. I have also provided input to the building program, and participated in Bible studies. I have assisted with the organization and operation of Sunday School at Christ Church Cathedral for 6 years, and led 42 parishioners to three Arctic communities in the Bales for the North Ministry to the Inuit.

Family... A member of The Met since 2006, I supported my wife Nancy in her role as Coordinator of the Woman-to-Woman program for 10 years behind the scenes assisting with organization, accounting, and manual labour. We have one son James who recently returned from an internship at NATO in Brussels.

Reason for standing... I believe every Christian should serve throughout their Christian lifetime in ways that will bring glory to God.

Other relevant experience... Prior to retiring as a Professional Engineer in 2016, I developed and operated a consulting engineering firm for 23 years, which included commercial and institutional building projects. My travels exposed me to cross-cultural practices in North America, Europe, Asia, Africa and circumpolar regions of Canada, Alaska, and Russia.

Other relevant experience... I have spent the past 11 years working for a major Canadian bank where I currently act as a Financial Planner. This experience has given me a thorough understanding of financial matters such as investing, lending, budgeting, etc. In my previous roles I acted as a Resident Director and Facilities Manager for a small university campus housed in a heritage building. This experience gave me exposure to building and premises maintenance requirements.

DIRECTOR NOMINEES (Property Corporation)

WAYNE WEBSTER

Coming to faith... I was taken to church as a child. In my mid-teens I rebelled but a family tragedy caused me to examine the basics of my faith. After several months of studying the Bible, various apologetics, and discussions I realized I was a great sinner and Christ a great Savior. This came into focus at a youth event in 1965 when I heard the song: "He lives, He lives. Christ Jesus lives today. He walks with me and talks with me, Along Life's narrow way. You ask me how I know He lives? He lives within my heart." I have not had a recurring doubt about my salvation or destiny since then.

Christian service and leadership... I have been involved as a leader in CSB, Met Men's Ministry, the Refugee Resettlement Committee, Head Usher, Church Treasurer, and have served on both the Ministry and Property Boards.

Family... I will have been married to Katherine for 50 years this fall. We have 3 children and 8 grandchildren, all living in Ottawa.

Reason for standing... I have property related expertise that I can make available to the Church in addressing the facility operations.

Other relevant experience... I have previously been a member of the Ministry Board, was Treasurer for several years, have served as Head Usher, and served on the Phase IIA expansion committee.
