

# METWomen

Fall 2024

The Bible is full of conversations that our extraordinary God had with ordinary people at various moments in human history. These are not just stories. And they are not just in the past. God has not stopped conversing with his people.

The Bible assures us that our God desires to speak with us so that we continually grow in a close, intimate relationship with him. While God does not converse with people in the same ways as he did in the Bible, we can stand on the truth that our God continues to speak to his people in and through the Lord Jesus Christ.

Over the next 13 weeks, we're going to listen in on conversations between God and different women throughout the Bible, seeing how all of them reveal his unchanging character, mission, and heart. And we'll learn how to converse with him by daily reading his written word and communing with him in prayer.

Join us this fall from Sep 11 - Dec 11.
