

Dear Met church family,

The day is nearly here when we have the opportunity to meet together in person for Sunday services, and we want now to share with you some important details as we prepare for the weekend.

We will be asking everyone to pre-register for the services so that we are able to respect the capacity limits. Starting at 11:00am on Thursday, June 18, you will be able to register for either of the live services at 8:30am or 11:30am through [Eventbrite](#). We plan to operate our facility well below the government limit of 30% capacity. The services will be offered in the sanctuary, with live feeds (and a live pastoral presence) in the chapel and in the gym. Please print your ticket and bring it with you Sunday. If you are having difficulty registering, or you would like for us to reach out to someone else who is having difficulty, please call the church office (613-238-8182) or send an email to info@metbiblechurch.ca.

If you are unwell, have travelled out of the country in the last fourteen days, or are in a group vulnerable to COVID-19 complications, we encourage you to continue to participate in our service remotely, by linking to our [Virtual Church webpage](#). We will be live-streaming both services, and we will keep the recording of the service up on our digital channels.

We are cleaning and sanitizing the facility now in preparation and we will be cleaning and sanitizing between and after the services on Sunday. We would appreciate if you would please arrive no earlier than twenty minutes before the service, and then we would greatly appreciate if you would please vacate the building and socialize outside in order to enable our cleaning staff to do a thorough cleaning and sanitizing.

All attendees are encouraged to consider wearing a mask. Please note that the gym is a “masks-only” service, where everyone in attendance agrees to wear a mask. There will not be any Sunday School (METTykes or METKids), nor any adult classes. The Hub, Café, and Library will not be open.

We want to emphasize again the fact that we do not want any member of the church family to feel pressure to attend. Please feel all liberty to make the choice that is right for you and with which you feel most comfortable. We look forward to seeing you Sunday, and we would ask that you continue to pray with us for a safe Sunday!

With thanks and continued prayers,

Jonathan Griffiths and Chris Shadbolt
