Persevering Together...With Joy

In our group-wide study, we will embark on a 13-week journey through the book of Philippians called Persevering Together...With Joy. Written from prison by the Apostle Paul, this letter was penned to thank, encourage, and inspire the believers in Philippi. Paul called them to persevere together, united in the gospel, trusting that Jesus is sufficient in all circumstances, even in suffering and hardship. This little book will challenge us to press on, finding our joy in Christ and living each day in light of His glorious return. We'll meet from January 20 to April 28. The teaching messages will be posted weekly to our YouTube channel, METWomen Ottawa, and small-group discussions will take place online or via email.

Christianity Explored

In addition to our group-wide study, we are offering Christianity Explored for those who are new to the Christian faith or are just curious about Jesus and Christianity. Christianity Explored gives people time and space to discover the best news they've ever heard. Over seven interactive sessions, people find out who Jesus is, what he achieved, and what it means for us today. This study will take place online (via Zoom) Tuesdays at 10:00 am from January 19 to March 2. Who might you invite?

Discipleship Explored

We are also offering Discipleship Explored which has been crafted to help followers of Jesus discover the joy, unity, righteousness and love which are theirs in Christ. This ten-session journey will help believers young and old to discover the greatest love anyone could ever know, and how to live as disciples of Christ Jesus today. With both morning and evening options, Discipleship Explored will take place online (via Zoom and Google Meet) Wednesdays at 9:30 am and 7:00 pm from January 20 to March 31.
