

Dear Met church family,

We are looking forward to worshipping together tomorrow morning when we open the Word of God and continue in our series on Hebrews. Pastor Jonathan will be speaking on *True Faith* (Hebrews 11:1-7). As the Coronavirus prevents us from gathering in person, we will be providing our first virtual Sunday Service broadcast tomorrow morning at 10AM. You will be able to view the full service at www.metbiblechurch.ca/servicesbroadcast. You may also access our bulletin from our website, www.metbiblechurch.ca. Please scroll down to the bottom the page, where you can select "Bulletin".

This is our first attempt at providing the whole service for everyone to access at the same time. While we are making every effort to enable everyone to watch the service together, there may be a few glitches. We ask for your patience as we work with this new technology. We are not expecting issues with the number of people accessing the service at the same time; however, if you do encounter difficulty, please try again later in the day.

We will continue to work diligently at providing an excellent streaming experience, as we are expecting that we will be providing virtual services for a time. We welcome your feedback on the audio and video quality of this service. Please email us at info@metbiblechurch.ca.

During our virtual service, there will be a time to share our gifts and offerings. For more information on how to donate electronically, please visit www.metbiblechurch.ca/give.

Let's continue to pray for the Lord's protection and provision as we continue to serve Him through this situation.

Your Met leadership team
