

BIG TRUTHS OF THE GOSPEL

In Paul's Letter to the Romans

Welcome!

We're so pleased that you are part of this study.

For the past two thousand years, Paul's letter to the Romans has been changing lives because it proclaims the big truths of the gospel –righteousness, salvation, justification, reconciliation, propitiation to name just a few. These truths will astonish us, as we learn how God desires to save us through the Lord Jesus Christ. They will enable us to experience the freedom God wants for us, his adopted and beloved children, as we live in the power of his Holy Spirit. And these truths will embolden us to proclaim them with confidence and joy to those who have yet to believe.

For the next few months, we'll explore the big truths of the gospel by breaking them into 4 parts:

- Part 1 - The Righteousness of God
- Part 2 - The Grace of God
- Part 3 - The Will of God
- Part 4 - The Community of God

Within each of these 4 parts, we will dig deeper into key words or phrases as we walk through Paul's letter to the Romans. Some words or phrases are fleshed out even further in the Glossary and Suggested Resources on page 86 and 88 to this guide.

Whether this is the first time you've ever read Paul's letter to the Romans, or you've read it many times, we pray that you will see the big truths of the gospel in new ways over the course of our study. Even more, we pray that as you learn, experience and proclaim the big truths of the gospel, God will use them to change your life, making you more like His son, the Lord Jesus Christ.

With joyful expectancy for all he will do among us,
